If you have not received an offer of a school place at a preferred or any of your preferred schools:

This is because the school or schools received more applications than their capacity and after applying the admission policy your child was not ranked high enough to be offered a place.

Allocated a school that was not a preference

We will automatically offer the closest West Berkshire School with spaces if we can't offer your preferred school or schools. There may be a closer school with space in another Local Authority. To find out information about schools in other local authority areas you will need to contact the relevant local authority.

Waiting lists

We automatically place all children on waiting lists if we can't offer a preferred school or schools. After 18 April we do receive notification from parents who are declining the offer because they have made other arrangements or moved away. We will fill places that become available from the waiting list. Parents can contact the Admissions Team to find out their child's position on the list. We will offer any places that have become available from 01 May. After this point we work on a day by day process.

Waiting lists for schools outside of West Berkshire

If you were unsuccessful in your application for a school outside of West Berkshire, you will need to contact the relevant local authority to ensure that your child has been placed on a waiting list. Some authorities do not automatically place children on waiting lists.

Accepting a school place

If you have made or can make other arrangements, you can decline the offer of the place. If you accept the place your child will still remain on the waiting list for your preferred school or schools.

Changing your school preference

You can submit a late application with up to 3 school preferences if you would like to add or change your school preferences. Late application forms are available at: www.westberks.gov.uk/primaryadmissions

Infant Class size appeals

The majority of schools have an admission number that ensures each class will have 30 pupils. The allocation information highlights the schools that have been allocated to this limit. Infant Class size appeals are considered to be a review of the process and the grounds for success are limited.
