

A range of tickets is available on the bus routes which are financially supported by West Berkshire Council, and on some commercial routes, under the 'Connect' brand. As well as cash payment on the bus, **Kennections** and their parent company **Reading Buses** now accept contactless card and mobile payments. The free, new **Kennections app** allows you to get tickets on your smartphone, and track Kennections local buses. Visit www.reading-buses.co.uk/kennections
