

## West Berkshire Co-ordinated Admissions Scheme 2020/21

### Introduction

Each year all local authorities must formulate and publish a scheme to co-ordinate admission arrangements for all publicly funded schools within their area. Where the scheme is substantially different from the scheme adopted for the previous academic year, the local authority must consult the other admission authorities in the area and any other local authorities it determines. Where the scheme has not changed from the previous year there is no requirement to consult, subject to the requirement that the local authority must consult on the scheme at least once every seven years, even if there have been no changes during that period. Following any such consultation, which must be undertaken with a view to ensuring the admission of pupils in different local authorities is, as far as reasonably practicable, compatible with each other, the local authority must determine the qualifying scheme and must take all reasonable steps to secure its adoption. A local authority must inform the Secretary of State whether they have secured the adoption of a qualifying scheme by **28 February** in the determination year.

### The Normal Admissions Round

In relation to any application made in the normal admission round, each parent in the area (The permanent home address as outlined in the published admission arrangements within West Berkshire) shall receive a single offer of a school place, or a refusal, determined under the scheme, the result of which shall be communicated in writing to the parent by the LA on **2 March 2020** (for secondary admission) or **16 April 2020** (for primary admission).

West Berkshire residents must make applications for school places online, via the West Berkshire website, or on a West Berkshire Common Application Form, where parents can express a preference for up to three schools, rank those schools and give reasons for the preference. All preferences must be expressed on this form, including those for schools in a different area.

Residents from other areas should make their applications on their home Local Authority Application. Relevant information will be forwarded by those Local Authorities to West Berkshire for consideration if a preference is made for a West Berkshire School.

Each preference will be considered against the school's admission policy.

Places will be offered up to each schools admission number where there is sufficient demand. Where a child is eligible to be admitted to a single school, a place will be offered at that school. Where a child is eligible to be admitted to more than one school, a place will be offered for the highest ranked school. Where a child is not eligible to be admitted to any school applied for online or on the Common Application Form the LA will either:

1. Offer an alternative school place if that child is from the area, or
2. Make no offer for an alternative school place if that child is not from the area.

Children from the area with no allocated place will normally be offered a school place in the following order:

1. At the catchment area school if a place exists, using distance as a priority;
2. At the nearest school from the home address where a place exists.
3. Where there is no West Berkshire School places available, no place will be allocated. The normal admissions round process will be undertaken in accordance with the timetables below.
