#### Instructions
- As a general rule, if your plastic waste is bottle shaped it can go in the bag for recycling.
- Please make sure jars are rinsed through to remove food residue.
- Please make sure you flatten cardboard to no bigger than 85cm x 45cm.
- Please put your textiles out in a clear sack next to your green boxes.
- Please put any raw, cooked or uneaten food in your green bin.
- Make sure you are putting the right things in the right recycling box or bag.
- Please only use compostable liners for your food waste.

---
