Dear Sir/Madam,

A339 & Bear Lane Improvements – Carriageway Resurfacing

I am writing to inform you that Colas will soon be undertaking the final phase of carriageway resurfacing along the A339 in and around Bear Lane Roundabout and small sections of Bear Lane, Kings Road and Mill Lane. These works will be undertaken at night under road closures and information about the works is shown within the table below;

Week commencing 15 September 2019:

Dates	Times	Area	Works activities
Sun 15 th Sept 2019	16:45 – 06:00	<u>Kings Road</u> – Access will be maintained for residents from Bear Lane Roundabout but the westbound carriageway between Sainsbury’s and Bear Lane Roundabout will be fully closed. Therefore, Kings Road between Sainsbury’s and Boundary Road will temporarily allow vehicles to travel in both directions. Areas of parking along this section of Kings Road will be suspended to allow two way travel. Colas staff will be present to assist vehicles where required.	Surfacing and lining
	19:30 – 06:00	<u>A339 Southbound</u> - Closed southbound between Robin Hood Roundabout and the St John’s Roundabout. Access maintained to Mill Lane and Kings Road.	Surfacing and lining
Mon 16 th Sept 2019	19:30 – 06:00	<u>A339 Northbound & Bear Lane</u> – Exiting The Wharf car parks and area after 19:30 will be via Wharf Street and Market Place. A339 closed northbound between St John’s Roundabout and Robin Hood Roundabout. (*)	Surfacing and lining
Tues 17 th Sept 2019	19:30 – 06:00	<u>A339 Northbound</u> – A339 closed northbound between St John’s Roundabout and Robin Hood Roundabout. (*)	Surfacing, lining and signal loop cutting
Weds 18 th Sept 2019	19:30 – 06:00	<u>A339 Northbound</u> – A339 closed northbound between St John’s Roundabout and Robin Hood Roundabout. (*)	Surfacing, lining and signal loop cutting

Thurs 19 th Sept 2019	19:30 – 06:00	<u>A339 Southbound</u> - Closed southbound between Robin Hood Roundabout and the St John's Roundabout. Access maintained to Mill Lane and Kings Road.	Removing existing carriageway surfacing
Fri 20 th Sept 2019	19:30 – 06:00	<u>A339 Southbound</u> - Closed southbound between Robin Hood Roundabout and the St John's Roundabout. Access maintained to Mill Lane and Kings Road.	Surfacing, lining and signal loop cutting

(*) Access to train station will be maintained

Week Commencing 22 September 2019:

Dates	Times	Area	Works activities
Mon 23 rd Sept 2019	19:30 – 06:00	<u>A339 Southbound</u> - Closed southbound between Robin Hood Roundabout and the St John's Roundabout. Access maintained to Mill Lane and Kings Road.	Lining and signal loop cutting
Tues 24 th Sept 2019	19:30 – 06:00	<u>A339 Southbound</u> - Closed southbound between Robin Hood Roundabout and the St John's Roundabout. Access maintained to Mill Lane and Kings Road.	Lining and signal loop cutting
Weds 25 th Sept 2019	19:30 – 06:00	<u>A339 Northbound</u> – A339 closed northbound between St John's Roundabout and Robin Hood Roundabout. (*)	Lining and signal loop cutting
Thurs 26 th Sept 2019	19:30 – 06:00	<u>A339 Northbound</u> – A339 closed northbound between St John's Roundabout and Robin Hood Roundabout. (*)	Lining and signal loop cutting
Friday 27 th Sept 2019	19:30 – 06:00	<u>A339 Northbound</u> – A339 closed northbound between St John's Roundabout and Robin Hood Roundabout. (*)	Lining and signal loop cutting

(*) Access to train station will be maintained

The nature of these works will mean that the road will have to be closed at the locations and between the dates/times shown in the table above. This is to ensure the safety of both the contractor's operatives undertaking the works and the general public still using the highway network. Access to residential dwellings and businesses adjacent to the works will be permitted at all times but there may be periods where access is delayed whilst certain site activities are being undertaken. Plans and information for the works and diversion routes will be made available on the A339 blog; <https://info.westberks.gov.uk/a339>.

If you have you have any deliveries or special access requirements during the closure periods listed above then please contact Nigel Humphrey at Colas directly; nigel.humphrey@colas.co.uk.

Unfortunately as with most highway related activities such as this, a certain level of disruption and noise is sadly inevitable and this is intensified given the town centre location and the A339 being the major arterial route through Newbury. Please accept our apologies in advance for any inconvenience that may be caused by these works. Should you have any queries about the scheme not related to access during the resurfacing works then please contact the Customer Services Team on 01635 519080 or email projects@westberks.gov.uk.

Yours faithfully

David Wildish - Principal Engineer
