

Coronavirus (COVID-19) and domestic abuse

West Berkshire Support and Guidance

Are you experiencing or feel at risk of domestic abuse during the coronavirus (COVID-19) outbreak?

Support is **available** and if you are in immediate danger, **you can leave**.

It is likely that your home life has changed drastically since the coronavirus outbreak, we recognise that there is a particular pressure in households for those who are experiencing or feel at risk of domestic abuse.

Domestic abuse is unacceptable in any situation, no matter what stresses a person could be under and you do not need to feel as if this behaviour should be accepted.

What is domestic abuse?

Domestic abuse is more than physical violence. It can also include, but is not limited to:

- coercive control and 'gaslighting'
- economic abuse
- online abuse
- verbal abuse
- emotional abuse
- sexual abuse
- psychological abuse

Are you in immediate danger?

Call 999 - If you are in immediate danger, call 999 and ask for the police - the police will continue to respond to emergency calls.

If you are in danger and unable to talk on the phone, call 999 and then **press 55**. This will transfer your call to the relevant police force who will assist you without you having to speak.
